

VerticalLayout

BeforeEnterObserver

com.frontend.Login.LoginView

```
graph BT; LoginView[com.frontend.Login.LoginView] --> VerticalLayout[VerticalLayout]; LoginView --> BeforeEnterObserver[BeforeEnterObserver];
```

The diagram illustrates a class hierarchy where `com.frontend.Login.LoginView` is the superclass, and `VerticalLayout` and `BeforeEnterObserver` are subclasses. Arrows point from the subclass boxes to the superclass box.
